

Report Formats for Train Project

For the first report dealing with total amount of time on trains the report should have this format:

REPORT 1: Shortest time riding on Trains.

To go from **Fargo** to **Madison** you will need to ride on trains for **6** hours and **15** minutes.

You will take the following trains:

Leave **Fargo** at **8:00 AM** and arrive at **Brookings** at **11:00 AM**

Leave **Brookings** at **11:30 AM** and arrive at **Madison** at **2:45 PM**

END OF REPORT

*Note: Values in **blue** are variable.*

Do not worry about days if 1 day 3 hours just report 27 hours

{Phase II}

REPORT 2: Shortest arrival time

To go from **Fargo**, starting at 7:00 AM, to **Madison** you will arrive in **Madison** at **2:45 PM**.

Your total time to destination will be **7** hours and **55** minutes.

You will take the following trains:

Leave **Fargo** at **8:00 AM** and arrive at **Brookings** at **11:00 AM**

Leave **Brookings** at **11:30 AM** and arrive at **Madison** at **2:45 PM**

END OF REPORT

*Note: Values in **blue** are variable.*

Do not worry about days if 1 day 3 hours just report 27 hours
